***Kingdom of Florida: The Lamplight Society* now available as audiobook**

WEST PALM BEACH, FLORIDA, December 17, 2020 - Author and creator Taylor Thomas Smythe today announced the release of his second installment in the *Kingdom of Florida* series as a new digital audiobook. *The Lamplight Society* continues the story of children Oliver, Ben, and Ellie as they meet a new neighbor named Annie. When she mysteriously vanishes, the trio of friends embarks on another exciting adventure to find her.

The series, which has echoes of such classics as *The Chronicles of Narnia*, *Harry Potter*, or L. Frank Baum's *Oz* books, follows the journey of a group of South Florida children as they discover a magical parallel world ruled by an evil prince. This past November, Smythe released the fifth book in the series, *The Curse of Coronado*, in paperback, hardcover, and ebook formats, and promises more adventures to come.

The first five *Kingdom of Florida* books are independently published and available via www.kingdomofflorida.com/books in paperback, hardcover, and Kindle ebook. The first and second installments are available now as audiobooks on various platforms, including Apple, Audible, Amazon, and others.
